

# ASPLEY CLASSES FOR SENIORS

## Notes from the Management Committee for Tutors and Students, April/May 2015

Welcome to the second term for 2015 at Aspley Classes for Seniors. As you will be aware, classes start in the first week of May and continue for the usual seven weeks (until June 20).

Our classes were strongly supported in Term 1 this year, with a total of 270 enrolments. Of these, 144 had re-enrolled for Term 2 by the end of Term 1; re-enrolment at the end of the term, rather than waiting until the start of the next term, is encouraged as it assists our coordinators with the processing of the enrolments and helps us to be better organised for the next term's classes.

We have one new class this term – a Discussion Group on topics of mutual interest – which will meet on Thursdays at Aspley Uniting Church at 11.00 am. If you have opinions you would like to share and discuss with others, this could be your opportunity.

Also at 11.00 on Thursdays is our continuing series of the popular weekly lectures. This term's topics mainly cluster around a range of early Australian experiences. You can enrol for the whole seven lectures each term, or just turn up whenever there is a topic of special interest for you and pay the \$4 casual fee each time.

Sadly, however, our "Singing for Pleasure" group is not continuing this term. We hope it will not be long before we have a singing group up and carolling again. If you are interested in this area, why not speak to one of our co-ordinators?

We have three co-ordinators, who help to ensure that everything runs smoothly. They will be happy to help if you have any questions about Aspley Classes for Seniors. They are:

- David: for Wednesday and Thursday classes and Thursday lectures at Aspley Uniting Church: Phone 3263 2068;
- Ailsa: for Friday classes at Aspley Uniting Church: Phone 3263 6454; and
- Michael: for Classes at The Anglican Church of the Resurrection, Ridley Road, Bridgeman Downs: Phone 3263 4007

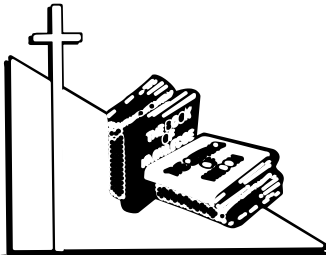

Your particular attention is drawn to our website, [www.aspleyclassesforseniors.com](http://www.aspleyclassesforseniors.com), on which you can obtain up-to-date information about our classes at any time. You can email enquiries about our classes to us from this website or you can email us direct at [aspleycfs@hotmail.com](mailto:aspleycfs@hotmail.com).

The survey completed by many of the students who enrolled on Enrolment Day for Term1 or during Term1 yielded much useful information. For example, the survey showed that while about 90% of the students who completed the survey live within about 15 minutes travelling time from the class venues at Aspley and Bridgeman Downs, some students live much further afield, travelling from suburbs such as Jindalee, Forest Lake, The Gap, Samford Downs, Woody Point and New Farm.

We trust you will have an enjoyable and helpful term.
