

Do you speak French? Do you read French? Do you enjoy French culture? Would you like to share this knowledge with an enthusiastic group of over 50s learners? We need a new tutor for 2022.

You might be a retired teacher, a recent French language graduate or even a native French speaker with no formal qualifications. If you are keen, we would like to hear from you.

You need to be able to commit 90 minutes a week for our term of 7 weeks. The first class is scheduled to begin on Saturday February 5 at 10:45 am. If this time does not suit, other times may be negotiated. There are four terms in a year.

There is a small payment for out-of-pocket expenses.

The classes are held in the Men's Shed, at the Anglican Church, 30 Ridley Rd., Bridgeman Downs, in Brisbane's north.

A textbook with CD is available or you may use your own resources.

A Covid vaccination is required.
